FOR GRAZIERS, FARMERS & MARKET GROWERS

CONDITIONS OF SALE AND NON-WARRANTY

We believe that all Seeds Bulbs and Roots sold by us are of the description and kind specified by us at the time of sale but owing to the practical impossibility in many cases of being certain of this we give no undertaking that such Seeds Bulbs or Roots will correspond with the description under which they are sold and we make all sales subject to this condition. We further give no warranty expressed or implied as to their growth description quality or productiveness and will not be in any way responsible for the crop. If the purchaser does not accept the goods sold to him on these terms they are at once to be returned to us and any money paid to us will be refunded.

ARTHUR YATES & CO. LTD.

PRICES.—All quotations (by letter or printed list) are subject to being unsold and to prompt reply, otherwise to market fluctuation. These Current Price Lists are issued at short intervals throughout the year, therefore if not ordering at once please write for the current issue when again on the market.

TERMS.—Our terms are strictly prompt nett cash, and orders should be accompanied by remittance for the approximate amount of the order (including freight if the goods are required by coastal steamer or passenger train, or if to be consigned to unattended platforms). When buyers have established an approved account with us, or if satisfactory Sydney business references are given, we will charge to customer's account on the understanding that customers remit promptly on receipt of invoice. When remitting, please add exchange to country cheques.

FORWARDING.—Orders sent by goods train are consigned carriage forward (except to unattended platforms) unless we are otherwise instructed at time of order. We deliver seeds on rail or wharf, Sydney, after which goods are on customer's account, and at his risk.

SUBSTITUTING.—On account of the difficulty in obtaining full supplies of many lines, and the failures of crops of others, we may, if unable to supply the exact variety ordered, substitute for it some other variety of a similar nature, which will, in our opinion, give satisfactory results.

If this is not desired, please mark order clearly: "Do not substitute."

TERMS OF PAYMENT

Our terms are nett cash with order (including allowance for freight if goods are required by coastal steamer or passenger train, or by goods train to unattended platforms).

If buyer has established an accredited account with us we will charge goods to the customer's account on the understanding that remittance will be sent promptly on receipt of invoice.

SPECIAL NOTE TO CUSTOMERS SERVED BY RAIL (Not Coastal Steamer).—If ordering the minimum quantity of those manures for which we give a special quotation "on rails at manure works," please indicate when writing whether you wish the fertilizer consigned from works separately from seeds or other goods, or whether you wish it consigned by us from Darling Harbour along with any other goods ordered from us at the same time. In the latter case the cost is higher, but for ease of carting or for other reasons it may suit you to pay extra price and have total order delivered in one consignment. If no indication is given we will consign direct from manure works. Bags weigh approximately 1½ cwt. in most cases, but vary according to kind ordered.
